### Company Background & Business Model

**Company Background:** GoldMiner is a Free-to-Play Third-person shooter NFT game where everyone can start playing without the need to pay. GoldMiner also employs the Play-to-Earn model to reward players with tokens and equipment through dynamic gameplay and participation in PvP tournaments. With this seamless combination of the DeFi and P2E models, GoldMiner gives players the opportunity to play and earn rewards at the same time. To create a friendly environment for players who are unfamiliar with Cryptocurrency market and NFTs, a mechanism called Crypto Play against is incorporated into the gameplay to give incentives to such players to do their own research and learn about the market.

**About Token:** GOLD token is the functional utility token which can be used as a mode of settlement for various resources or in-game updates. It can also be used for in-game access and privileges such as speed up time-gated content, open loot-boxes and staking for higher tiers.

### Crypto Market Trends

### Sentiment Score 75

Despite China's ban on all the crypto-related transactions and considering illicit financial activity, the crypto market is yet again roaring and the sentiment has improved over the past two week. Bitcoin rallied to all time high on the heels of ETF excitement, reaching \$67,000 and currently trading at \$65,000. Ethereum has also caught up the pace and is currently trading at \$4,700.

Alongside Bitcoin and Ethereum, the NFT market has seen sky-rocketing sales in September. The numbers of buyers and sellers have increased not only in the Art sector but also in the Utility sector and Sports sector. Sales of NFTs volume surges to \$10.7 billion in the third quarter of 2021. The most prominent non-fungible token project in October'21 are CryptoPunks (\$1.4B) followed by Art Blocks (\$1.15B) and Bored Ape Yacht Club (\$1.05B).

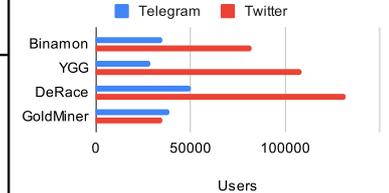

Crypto Greed & Fear index suggests that overall market is healthy, also the NFTs and Blockchain DeFi gaming is booming and hence we believe GoldMiner's IDO will sail through.
