# THE PROBLEM

# THE PROBLEM

Esports streaming is still young, bringing with it challenges but also incredible opportunity.

Lack of Monetization & Revenue streams for Streamers

A Fragmented Community & Lack of centralization

Gen-Z is hard to reach for Advertisers

# POLYGAME'S SOLUTION

# POLYGAME'S SOLUTION

## Streaming

Polygame has built up a community of over 900,000 active fans & 50+ Premium Streamers over the last 9 months of operations.

- **Transparent Revenue Sharing with Streamers**
- **Stream to Earn – Streamers**
- **Watch to Earn – Fans / Viewers**

# POLYGAME'S SOLUTION

## A NFT Marketplace

Both streamers and fans will have access to a vivid marketplace to buy, sell and share their NFT collectibles!

## Fan Tokens

Premium streamers can conduct their own IDO directly through Polygame, while the platform will be powered by our own \$PGEM utility token.

## \$PGEM

Single Currency for all transactions on Polygame platform.
